PLEASE BRING THIS CATALOG
WITH YOU TO THE SALE.

Why Should You "BUY A CALF" and "SHOW A CALF?"

Ask the boys and girls who selected calves in the 1973 Sale and won with them in the 1974 Show. They and their families will tell you that the 12th Annual Ohio Shorthorn Junior "Buy A Calf - Show A Calf" Sale, at the Franklin County Fairgrounds in Hilliard, Ohio, on Saturday, October 12, will be this area's best source of club calves this fall. Assembled at this central point will be a top group of steers and heifers suitable for 4-H and FFA projects.

As a special bonus, the calf you buy on October 12, 1974 will be eligible for you to show in the 12th Annual "Buy A Calf - Show A Calf" Show in Hilliard on Saturday, June 21, 1975. This show is scheduled ahead of the county and state fairs, to give you and your heifer or steer a professional advance workout under a nationally prominent judge. The rich awards include ribbons, rosettes and trophies, plus generous cash prizes running up to \$150 on the champion steer and heifer. A showmanship contest, with trophies, is also included.

Junior Membership in American Shorthorn Association will be given Free to each heifer buyer on October 12.

Buy your calf October 12, 1974. Show your calf June 21, 1975.

Breeding Service Will Be Available For Heifer Buyers

Heifer buyers in this sale will have the privilege of selecting from a group of Ohio's top Shorthorn and Polled Shorthorn sires the bull to which they want their heifers mated. Frozen semen is being made available for this purpose. There will be **NO CHARGE** for the semen. The only charge will be from the local inseminator who breeds the heifers.

These heifers have been carefully selected. They are the kind that can establish profitable herds for their new owners. A pair of heifers from this sale, with the free service to the best bulls in Ohio, could provide a college education for a bright boy or a gifted girl. That's something for fathers and mothers, as well as children, to think about.
